

Prayer in response to the message

We thank you heavenly Father that if we choose, we need no longer live in the dark about you, because you sent your Son Jesus to reveal yourself to us. We thank you that Jesus is: YOU: making yourself known. We thank you when we see Jesus' love and tender heart and compassion and forgiveness, we see YOUR love and tender heart and compassion and forgiveness. So help us to pour over the Gospels, and as we see Jesus, to see you. Help us to be open to wherever the truth might lead us. We ask it in Jesus' name, **Amen**.
