Parish of .....

## ANNUAL BUILDING INSPECTIONS

(Clauses 604 to 608 of the Diocese of Bathurst Administration Ordinance)

The Parish Priest and Churchwardens of the Parish Church certify that they are aware of the obligations imposed by clauses 604 to 608 of the Diocese of Bathurst Administration Ordinance and report to the Property Trust via the Bishop's Registrar that during :

- every church-building of the Parish and its grounds was inspected, and
- the condition of buildings and grounds was reported to Parish Council, and
- the Parish Council budgeted for repairs and maintenance, including to the Rectory and to the Parish whitegoods in the Rectory, and
- all repairs were carried out in good workmanlike manner, not changing the fabric and
- the Churchwardens have and maintain a list of the state of repair of all Parish buildings and grounds and an inventory of the fittings, furniture and equipment within the Parish, which has been prepared for distribution with other reports for the Annual Meeting as required under Chapter 5 of this Ordinance and
- the Parish has a committee responsible to keep the Church buildings, grounds, fittings, furniture and equipment under constant observation and to report regularly to the Parish Council.

**In respect of all these statements the report is  
YES / NO**

**We affirm that these obligations will be undertaken in** .
