RESOURCES for PARISHES

Discounted Products & Services

Many companies recognise the valuable work non-profit organisations do and offer significant discounts—or even free access—to their products and services.

These offers can help your parish streamline operations, reduce costs, and better support your ministry operations. Following is a curated list of popular discounted services, organised by function.

Bathurst Diocese

SHARING JESUS FOR LIFE

ADDITIONAL DISCOUNTS:

The **Connecting Up** program (connectingup.org) helps non-profits in Australia and New Zealand access discounted software, hardware, and services. Many companies require non-profits to verify their eligibility through this program to qualify for special pricing. Non-profit organisations can unlock discounts on **over 2,000 products and services** from **more than 70 technology partners**, enabling them to enhance their operations while keeping costs low. Sign-up for free.
